

As I was trying to pack for a vacation, my 3-year-old daughter was having a wonderful time playing on the bed. At one point, she said, "Mom, look at this," and stuck out two of her fingers.

Trying to keep her entertained, I reached out and stuck her fingers in my mouth and said, "Mommy gonna eat your fingers!" Pretending to eat them before I rushed out of the room again. When I returned, my daughter was standing on the bed staring at her fingers with a devastated look on her face.

I said, "What's wrong, honey?"

"Mommy, where's my booger?" My daughter replied.

A lawyer dies in a car accident on his 40th birthday and finds himself greeted at the Pearly Gates by a brass band. Saint Peter runs over, shakes his hand and says "Congratulations!!!" "Congratulations for what?" asks the lawyer.

"Congratulations for what?" says Saint Peter. "We're celebrating the fact that you lived to be 160 years old." "But that's not true," says the lawyer. "I only lived to be forty."

"That's impossible," says Saint Peter. "We've added up your time sheets."

A radical feminist is getting on a bus when, just in front of her, a man gets up from his seat.

She thinks to herself, "Here's another man trying to keep up the customs of a patriarchal society by offering a poor, defenseless woman his seat", and she pushes him back onto the seat.

A few minutes later, the man tries to get up again She is insulted again and refuses to let him up.

Finally, the man says, "Look, lady, you've got to let me get up. I'm two miles past my stop already."

Two guys were at a bar talking about how highly their wives thought of them.

The first guy said, "My wife, she thinks so much of me that she won't let me do any work around the house. It's incredible."

The second guy says, "That's nothing. My wife thinks I'm God."

"She thinks you're God?"

"What makes you say that?"

"Easy every night she places a burnt offering before me."

Dumb and Dumber were sitting down to their usual cup of morning coffee listening to the weather report coming over the radio. "There will be 3 to 5 inches of snow today and a snow emergency has been declared.

You must park your cars on the odd numbered side of the streets." Dumber got up from his coffee and replies "Jeez, OK."

Two days later, again they both are sitting down with their cups of morning coffee and the weather forecast is, "There will be 2 to 4 inches of snow today and a snow emergency has been declared. You must park your cars on the even numbered side of the streets." Dumber got up from his coffee and replies, "Jeez, OK."

Three days later, again they both are sitting down with their cups of coffee and the weather forecast is, "There will be 6 to 8 inches of snow today and a snow emergency has been declared. You must park your cars on the..." and then the power went out and Dumber didn't get the rest of the instructions. He says to Dumb, "Jeez, what am I going to do now, Dumb " Dumb replies, "Aw, Dumber, just leave the car in the garage."

A woman lost both ears in an accident. No plastic surgeon could offer her a solution. She heard of a very good one in Sweden, and went to him. The new surgeon examined her, thought a while, and said: "Yes, I can put you right."

After the operation, bandages off, stitches out, she goes to her hotel. The morning after, in a rage, she calls her surgeon, and yells, "You swine, you gave me a man's ears."

"Well, an ear is an ear, it makes no difference whether it is a man's or a woman's." "You're wrong, I hear everything, but I don't understand a thing!

A Kansas cyclone hit a farmhouse just before dawn one morning. It lifted the roof off, picked up the beds, on which the farmer and his wife slept, and set them down gently in the next country. The wife began to cry. "Don't be scared, Mary," her husband said. "We're not hurt." Mary continued to cry. "I'm not scared," she responded between sobs. "I'm happy 'cause this is the first time in 14 years we've been out together."
